JUNE 2020

**WORKING
TOGETHER FOR
A SAFE RETURN**

**COVID-19 UPDATE:
PARTIAL RE-OPENING FOR
YEARS 10 & 12 INFORMATION**

ELUTEC ACADEMY & SIXTH FORM LOOK FORWARD TO WORKING TOGETHER FOR THE SAFETY OF ALL STAFF AND PUPILS AS WE RE-OPEN OUR SCHOOL BUILDING.

TO OUR PARENTS

On Friday 20th March 2020 the Government closed all schools in the UK due to the Covid-19 pandemic.

Elutec Academy & Sixth Form has since then continued to support all pupils via online subject timetables and regular teacher contact time. Enrichment activities for students such as speakers and webinars from Universities and business leaders are regularly shared across our all digital platforms. We are thankful for your efforts during this unprecedented time.

Following Government guidance we are now able to return to the school building. The return will encompass many measures to look after the safety of all our students and staff. These measures will require everyone to do their bit and work together.

STRATEGY

- Later starts to avoid peak travel times
- Staggered starting and finishing times for each year group to ensure social distance maintained
