

24th February 2020

Dear Parents/Carers

I am writing to advise you that Elutec Academy Governors have begun a six-week Consultation Process regarding the admission of students at year 7. The proposal is for Elutec Academy to become an 11-19 school from September 2021.

Please find an outline of the proposal on the Elutec Academy website under the tab "Consultation Survey". Here you will find a full briefing paper as well as a survey for your completion. Paper copies of both the briefing paper and survey are available at the Elutec Academy reception on request.

If you require further information please contact the Elutec Academy Business Manager, Mr T Edwards, at accounts@elutec.co.uk

Your sincerely

Ms Donovan-Maddix
Principal
Elutec
